

PASSPORT SATURDAY

Crystal K. Kinzel
Clerk of Court & Comptroller

Headed overseas? Apply for your U.S. Passport on Saturday, March 30th

Understanding that many people cannot get away from their jobs during the hectic Monday to Friday workweek to apply for a U.S. Passport, the clerk's office will hold a special Saturday event so they can submit their application on the weekend.

The event, called "Passport Saturday," will be held from 9 a.m. to 3 p.m. March 30th at the North Collier Government Services Center at 2335 Orange Blossom Drive.

The agency is scheduling this several weeks prior to the end of the school year as many parents plan on taking the family on international trips for the summer.

Passport forms, fees, information on how to apply, what identification and documents to bring, and more can be found on the Clerk's website at www.collierclerk.com/recording/passports or on the U.S. Department of State's official website for passport and travel information at travel.state.gov.
