Collier County Clerk of Courts celebrates Sunshine Week

NAPLES, FL – The Collier County Clerk of Courts is pleased to join many others throughout the county and state in celebrating Sunshine Week, an initiative dedicated to transparency and access within government.

As part of the week, representatives from the Clerk’s office and other county agencies gratefully accepted a proclamation from the Board of County Commissioners at its March 12, 2019, meeting.

“Government officials in Collier County commit during this Sunshine Week, commemorating the anniversary of James Madison’s birth, and throughout the year to work diligently to enhance the public’s access to government records and information, to increase information provided electronically and online, and to ensure that public meetings are fully noticed and open to the public,” the proclamation states.

Clerk Crystal K. Kinzel is also thankful of the support from the Florida Court Clerks & Comptrollers organization, which offered a statement from its president, Palm Beach County Clerk and Comptroller Sharon R. Bock.

“As Florida’s custodians of public and historic records, clerks and comptrollers are committed to providing transparency and access to your records and other information,” Bock said. “Sunshine Week allows us an opportunity to highlight the importance of open government, and the ways that we, as constitutional officers, support this effort.”
